KEEP OUT OF REACH OF CHILDREN. CAUTION.

16 fl oz (473 mL)

FortaGrow Natural Ant Control is a high-strength, plant-based solution designed to control and repel ants without harsh chemicals. Made with naturally derived citric acid and clove oil, it helps eliminate ants and disrupt ant trails anywhere they appear in and around the home.

Directions for Use: *Shake well before each use. Spray directly onto ants, ant trails, and areas where ants are commonly seen until surfaces are lightly covered. Reapply as needed, especially after cleaning or heavy ant activity. For outdoor use, apply around foundations, doorways, windows, patios, and other entry points. Do not apply as a soil drench or directly to plant roots. Test on a small area before widespread application.*

Effective for Use Around: *Baseboards, entry points, kitchens, patios, cracks and crevices, garbage areas, ant trails and nests above ground.*

Storage & Disposal: *Store at room temperature. Do not expose to extreme heat or freezing temperatures. Do not reuse empty container. Triple rinse container and recycle where possible.*

Precautionary Statements: *This product contains concentrated organic acids and essential oils, which may cause sensitivity in some individuals. Avoid direct inhalation and contact with eyes. Keep children and pets away from treated areas until dry. Do not apply to skin. Do not ingest.*

FIRST AID:

Eye contact: *Rinse eyes with water for at least 15 minutes.*

If on skin: *Wash with soap and water.*

Ingestion: *Do not induce vomiting. Contact Poison Control at 1-800-222-1222.*
